The Humber Tech Week
KCOM Innovation Hothouse
## powered by **nordstar***

10 – 12 November 2020

What is it?

Register a team for the **KCOM Innovation Hothouse** and test your skills and talent in real life scenarios to solve some of today's biggest Education and Healthcare industry challenges.

Sponsored by KCOM – you have the chance to build or join a team and connect with top talent from across global industry and further education.

Connect with key industry leaders to collaborate, solve problems, share skills and help build tomorrows solutions, today.

Get the opportunity to **pitch your final idea** to genuine investors.

Register your team at www.kcom.com/humbertech/

Why you should register a team

- Get your unique skills noticed by top industry talent.

- Get your personal profile elevated as part of global event marketing.

- Work with some of the best minds across global business

- Genuine opportunity to pitch your teams winning idea to investors.

- Opportunities talk with and gain insight from top industry leaders like NashTech, BetterSpace Kuehne + Nagel and Mercia.

- **Any other perks?** Unlock new content, contacts and a few cheeky perks as you progress through the week!

"We're looking to surface tomorrow's talent to work with experts across industry to solve real life challenges"

Tim Shaw
MD KCOM wholesale and networks
